SPACE FOR NOTES

READ: John 6: 1 – 15

DISCUSS:

Why were people following him?

What has Jesus done?

How did the people there at the time react?

If you take into account how many people were following him – what do you notice about the differences in Philips and Andrews responses to Jesus' question in verse 5?

What do we know about Jesus from this story?

Look at 6: 25 – 40 – in particular – what does Jesus say in verse 35?

What does it mean for us then as we come to Jesus with the things we have to offer?

FINISH UP:

Reflect and pray about all you have heard during this time.
